

# **NRPF Connect Data Report Q1 2025/26**

West Midlands

## What is the NRPF Connect data report Q1 2025/26?

This data report collates and analyses the data recorded by councils in the West Midlands region using NRPF Connect in the first quarter of the 2025/26 financial year. It provides a summary of referrals made and the support provided by social care services for people with no recourse to public funds (NRPF). The data is used to inform policy recommendations.

## What is NRPF Connect?

NRPF Connect is the national database and case management tool for councils to record details of households with NRPF that are being provided with accommodation and/or financial support by social services, hosted by the NRPF Network.

## What support is recorded on NRPF Connect?

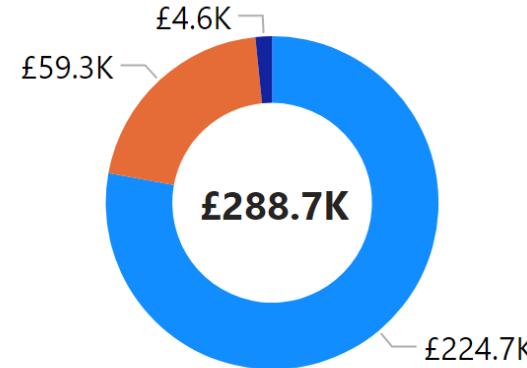

Councils can provide accommodation and financial support to people who are excluded from claiming benefits and mainstream housing assistance when statutory duties are engaged under social care legislation. Local authorities across the UK record the social care services they provide to families, adults with care needs, and care leavers with no recourse to public funds (NRPF). You can read more about NRPF support on the [NRPF Network website](#).

## Notes on the data

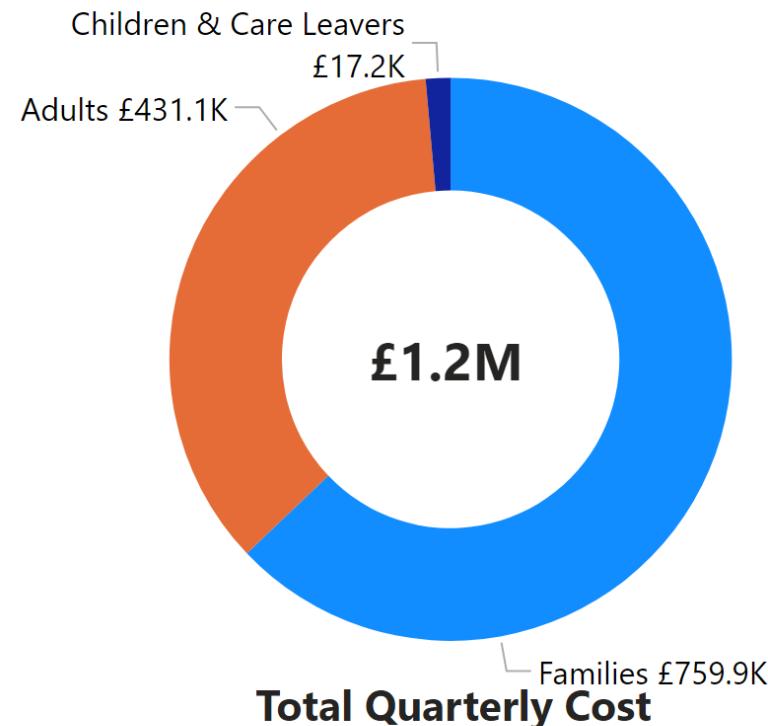

- "Adults" refers to adults with care needs provided with support under S18(1) Care Act 2014, S19(1) Care Act 2014, S12 Social Work (Scotland) Act 1968, P7 Housing Act 1996, S1 Localism Act 2011, or S117 Mental Health Act 1983.
- "Families" refers to families with a child in need with support under S17 Children Act 1989 or S22 Children (Scotland) Act 1995.
- "Children and care leavers" refers to looked after children and young people leaving care supported under Children (Leaving Care) Act 2000, S20 Children Act 1989, S25 Children (Scotland) Act 1995, or S29 & S30 Children (Scotland) Act 1995.
- "Support costs" relate to accommodation and financial support (subsistence) costs only, and do not include staffing or other costs incurred by councils delivering support to NRPF households.
- Data was last downloaded from NRPF Connect on 13/10/2025

## Key
